

HOW I DARE

I might not know _____.

I may not be able to articulate _____ (yet).

I haven't reached the full depth of my _____

or the height of my _____ (yet).

But I DO know that I feel called to _____

and intrigued by _____

and compelled by _____

So I'm going to do this. Even if no one else gets it.

I'm stepping out.

I am going to DARE --

with _____, with _____ and

_____, by _____.

That's how.
